LETTER TO OUR SPONSORS

On behalf of the entire B.Moore Financial Charity Golf Tournament team, I want to extend our heartfelt gratitude for your generous sponsorship and continued support. Your contribution plays a vital role in helping us create meaningful, inclusive, and memorable experiences for the youth and community members we serve.

This tournament is far more than a day on the golf course-it is a celebration of connection, mentorship, and opportunity. Thanks to your sponsorship dollars, we will have a meaningful impact to Melly's Place further enabling them to deliver impactful programs and experiences throughout the year.

Our first year goal for this tournament is to raise \$50,000 for Melly's Workplace to help them purchase new equipment for the store for training and production

WHY MELLY'S WORKPLACE, CAFE AND MARKET

Having a child of our own with an intellectual and developmental disability we know too well the challenges of finding places where we belong. Moving to Durham region in 2019 the search for resources and programs in the community began. We were told many times we either did not fit the criteria, or the waitlist was over 2 years. When we heard about Melly's workplace, we thought it was too good to be true but after our first visit we fell in love. Just walking in the door can brighten your day by being greeted with such enthusiasm and, of course, by having an amazing cup of coffee and delicious treats. Melly's program is an opportunity for people with disabilities to truly experience that feeling of empowerment. We would love to be a part of helping this program to grow and be sustainable not just so that it is there when it is time for our child to take part but because it is a wonderful example of what a truly inclusive community can look like.

Enclosed, you'll find our 2026 sponsorship package, which highlights the benefits and opportunities available to you. We would be delighted to customize a package to align with your goals and objectives.

Thank you for considering this opportunity to make a difference. Please don't hesitate to contact us with any questions or to discuss how we can partner to create a more inclusive future together. brian_moore@cooperators.ca

ABOUT MELLY'S

In Canada, only about 1 in 4 adults with an intellectual or developmental disability are employed.

That gap often starts early. While many teens build confidence through part-time jobs, youth with disabilities are less likely to access the same formative work experiences. By the time they graduate, often at 21, many who want to work and can work are still missing the experience employers expect.

That's where Melly's comes in.

Our mission is to empower individuals with intellectual and developmental disabilities through tailored coaching and programming that instills confidence, highlights unique abilities, and guides each person toward meaningful community contributions.

Melly's Place offers:

- ✓ Hands-on training materials for 400+ skill-building activities
- ✓ Tailored coaching that meets each person where they are
- ✓ Paid Workday shifts that build real résumés and confidence
- ✓ Progress tracking and growth check-ins to measure skill development and adjust support
- ✓ Job readiness and job retention skills like pacing, feedback, communication, and self-advocacy
- ✓ Transition support after graduation including coaching during the community job search
- ✓ Accessibility supports like visual prompts, step-by-step SOPs, and adaptive tools when needed
